City of Huntingburg Conducting “Spring Cleanup Days”

Huntingburg, Ind. – The City of Huntingburg’s Street Department is conducting “Spring Cleanup Days,” which will be held Thursday, April 3 from 12:00 – 7:00 p.m.; Friday, April 4 from 12:00 – 7:00 p.m. and Saturday, April 5 from 8:00 a.m. – 4:00 p.m. “Spring Cleanup Days” provides city residents the opportunity to safely dispose of unwanted items.

The cost is \$2 per car, \$5 per truck, \$5 per trailer under 8 ft. and \$10 per trailer over 8 ft. Additional fees apply for items such as vehicle tires on rims for \$3; vehicle tires without rims for \$2; and televisions, computers and monitors for \$1.

New this year is that small loose items must be placed in a trash bag to be accepted. Small items are considered those smaller than 12 to 18 inches.

Items containing Freon, such as refrigerators, dehumidifiers and air conditioners, require a certificate from a licensed plumber stating the Freon has been removed. Wood, plywood, asphalt shingles and other construction debris will not be accepted.

“Spring Cleanup Days” are for Huntingburg residents only. A utility bill and ID are required. The City of Huntingburg reserves the right to refuse any item.

For more information, please contact Rachel Steckler, Director of Communication and Community Development, at 683-2211 or by email at rsteckler@huntingburg-in.gov.
