

City Of Huntingburg

ADA PUBLIC INPUT / ACTION FORM

The City of Huntingburg is committed to establishing and maintaining an accessible community. We want all of our community members to enjoy the benefits of our programs, services and activities. It is a priority of the City to provide accessibility for all citizens. If there is an impediment, we want to know about it. If you would like to share an area of concern with us regarding the conditions of a sidewalk, ramp, building, other public facility-program or any ADA related issue please fill in the following information.

Your input is very important to us!
