

# 4th Street Heritage Trail PROJECT UPDATE

## This Week...

The trench drain installation in Phase I is complete! Not only does it look good, but more importantly, it is working the way it was designed to work. The curb on the north side of the street was removed, and work on the planter boxes and flush curbs began.

## Up Next...

**Week of Monday, April 1 – Friday, April 5, 2019**

**REMINDER: project office hours are this Wednesday, April 3 from 11:00 a.m.–1:00 p.m.** Work on the planter boxes and curb will continue throughout the week. Weather permitting, the plan is to move west to east pouring two boxes and then setting the flush curb in between the boxes.

## Reminders...
